

## Artist Information Packet

Thank you for your interest in showing with Vox Sacramento. We're thrilled to have you here, and want to make this the best possible experience for you.

### What to know before you show:

1. While Vox Sacramento does not require that you have a valid Seller's Permit from the State Board of Equalization, we do strongly encourage you to have one before your show. If you would like help in obtaining a Seller's Permit, please let us know.
2. If you are participating in a Second Saturday showing, the night that we would like you to drop off your art is the **Monday night prior to Second Saturday**. Our normal hours on the drop-off nights are from 7:30 - 9 p.m. At the end of that month's show, your art pickup will be the Monday night prior to the following month's Second Saturday, again between 7:30-9 p.m. **Please note that all art left on location past the scheduled pick up date will accrue storage expenses at the rate of \$5 per day unless alternate arrangements have already been made with Vox Sacramento.**
3. How many pieces of art should you bring and how big is the space you'll be showing in? We will let you know before the show.
4. Vox Sacramento does not charge commissions on art sold. We do encourage you to donate a percentage of your commission to whichever charity we are working with at that Second Saturday show, but it is not a requirement.
5. Due to Vox Sacramento's expansion into a full time gallery offering regular hours, month-long art showings, "second Friday" receptions, and an increase of Second Saturday foot traffic - we are asking you to buy an annual "Artist" level membership with Vox Sacramento for **\$50.00**. If you can't pay this at one time we ask for half up front with the remainder to be paid within 2 months. With the Artist membership level you will receive gallery space for a month, an invitation to our annual fund raising show,

and the ability to show with Vox Sacramento again during the year of your membership\*. We still strongly encourage you to donate a percentage of any sales to whomever we might be benefiting during the show you participate in.

\*Please contact Eric Sweiven at [erics@voxsac.com](mailto:erics@voxsac.com) for additional membership level details.

**Vox Sacramento is comprised solely of volunteers, and we appreciate any and all help and/or financial donations that you can offer.**

**Vox Sacramento is not responsible for any loss or damage that may arise from your art being shown at Vox Sacramento**

## Participation in Vox Art Book

Vox would like to create an art book to showcase each of our shows. What we need from you, the artist, is your okay to feature your work in our book.

If this is okay, please write and sign your name below.

Thanks!
